ATTN : Clerk: Municipality of North Grenville

Please add this to the agenda for consideration.

The Kemptville District Community Association organizes the Canada Day celebrations at Riverside Park for the Municipality of North Grenville.

It is a free event for our community full of entertainment for all ages all day long and finishing with the fireworks at the end of the day.

The KDCA maintains the refreshment area each year as a way to increase the reserve fund we hope to use in other ways within the community. Two years ago we donated to bring the Kayak launch into Anniversary Park, we are still looking for this year's project. We are also hoping to host another open house for our community groups this fall to determine what further assistance we are able to offer.

Canada Day celebrations in Kemptville are attended by thousands each year. Every year we strive to provide excellence in both the program and the logistics of this event.
