

REPORT OF MEMBER OF COUNCIL

Councillor Frank Onasanya Regular Meeting of October 9th, 2018 Period Ending October 8th, 2018

Market Pie Night

On September 20, I attended Market Pie Night event at EQuinelle. The event was well attended with lots of pies, finger food and fruits to eat while you chat with this group of young talented entrepreneurs, this group are young marketing genius entrepreneurs and I believe they can move mountains. For those businesses that are looking for great exposures and a good kick start, I will highly recommend the Market pie company, they are here in our community and easy to access.

REPORT OF MEMBER OF COUNCIL

Sports Hall of Fame Night

On September 27, I had the privilege to attend the Sports Hall of Fame induction Nigh Ceremony. The ceremony was well attend. My congratulations!!! To all the inductees and great thank you to all the attendees, families and friends that came to give their support and the locals that supplied the food. The evening was a successful one.

KDH RETREAT

On September 29, I attended and partake in KDH's Retreat held here in Kemptville, the retreat was well attended, MPP/Minister of Municipal Affairs and Housing Steve Clark, Future Strategist, SE Health and Singularity University Exponential Medicine Dr. Zayna Khayat, and the Executive Chairman of Navigator Ltd. Jaime Watt were in attendance. Steve Clark, Dr. Zayna Khayat and Jaime Watt were guest speakers. The retreat was informative, educative, intuitive and inclusive.

Hess Plowing Match

On September 29, I attended the Hess Farm Plowing Match, another learning for me. I have for many years seen and read about farm plowing but never have I seen it live let alone partake, this day, I did just that for the very first time ever and I had great fun experience doing it, I will keep this memorable experience with me forever. My Gratitude to HESS family for this opportunity.
