DESCRIPTION:

(Describe what your request is, what resources will be needed to implement it, where is it being requested, etc.) If you need more space to explain your request, attach a separate sheet of paper.

To formalise a multi-use path on the closed road section on Lydia Street between George and Maley Streets.

JUSTIFICATION:

(Reason for request)

(Explain why this community request should be included in this budget cycle). If you need more space to explain your reason, attach a separate sheet of paper.

Currently this is a grass area that has an informal pathway used by students of St Mike's and others walking/cycling to Shoppers/school/Mun Centre etc. Lydia is a perfect non-vehicular access street to downtown. It becomes muddy in the rain and is not cleared in winter but is still used frequently. Install a multi-use path similar in surface to the riverside trail (which Lydia St links to)

FUTURE BUDGETARY IMPLICATIONS:

(Considerations to maintain/continue service) If you need more space to explain the budgetary implications, attach a separate sheet of paper.

Perhaps to be included on the winter clearing sidewalk schedule? Otherwise, occasional verge cutting (which is being done anyway).
