## **COMMUNITY BUDGET REQUEST FORM**

### **DESCRIPTION (cont'd)**

...organizations through training, connections to skilled volunteers and specialized resources. To achieve this we will need in-kind office space for one representative of the Volunteer Centre of St. Lawrence Rideau to:

- 1) meet with local stakeholders (non-profits, community organizations and interested citizens) for 3.5 hours every two weeks throughout the year, and
- 2) a larger space to offer 2 or 3 locally facilitated workshops annually to strengthen the capacity of local organizations and non-profits.

### **JUSTIFICATION (cont'd)**

...the work of these organizations is sustained by dedicated, skilled volunteers. The Kemptville District Community Association has expressed a desire to work collaboratively with us as they see and hear of the needs for volunteers in the community. The Volunteer Centre can assist with connecting people with these opportunities and we can help non-profits learn about recruiting, managing and recognizing their volunteers. The Volunteer Centre of St. Lawrence Rideau is based in Brockville, but is expanding throughout Leeds Grenville and wishes to support citizens and organizations within North Grenville. We are a non-profit charity that receives no government funding. We are sustained by grants, fundraising, donations and memberships. Thus we are asking for consideration of the office and work space, at no charge.
